

The R. E. Olds Chapter was established March 2, 1984, by a group of Lansing area Oldsmobile enthusiasts, as a Chapter of the Oldsmobile Club of America. We have hosted several OCA National Meet car shows since that time. The annual Oldsmobile Homecoming Car Show and Swap Meet, held the Saturday of Father's Day weekend, was organized by members of our group and continues to be hosted by our members. Membership in our group entitles you to receive the award-winning newsletter, *Rocket Review* and to participate in cruises, picnics, parades, informative meetings and other activities with the membership. Our goal is to enjoy our Oldsmobiles and create awareness of the Oldsmobile cars.
